Welcome Message

Dr. Yasser Zaghloul

Dr. Ahmed Taha

Dr. Awadh Ali Al Mahri

Dear Colleagues,

On behalf of the organizing committee, it our great pleasure to invite you to **Abu Dhabi Annual Anesthesia Congress in Conjunction with Euro-Abu Dhabi Intensive Care Congress**, taking place on **September 11-13, 2026, in Abu Dhabi, UAE.**

Under the theme **"Innovations and Precision in Anesthesia: Tailoring Care for Better Outcomes"**, this prestigious congress will serve as a global nexus for groundbreaking advancements, thought leadership, and transformative discussions in anesthesia & intensive care medicine.

This prestigious congress serves as a premier platform for bringing together leading experts, healthcare professionals, and researchers from the field of anesthesia, Intensive Care, pain and perioperative medicine.

With a focus on the latest advancements and best practices in the field, the congress program features a diverse range of insightful discussions, interactive workshops, and thought-provoking sessions led by renowned international, regional and national faculty.

Your participation is vital to the success of this congress, and we look forward to welcoming you to Abu Dhabi for what will undoubtedly be a memorable and impactful gathering.

Mark your calendar for September 11-13, 2026, and join us at the Abu Dhabi Annual Anesthesia Congress in Conjunction with Euro-Abu Dhabi Intensive Care Congress. Together, let us shape the future of anesthesia and intensive care medicine and elevate the standards of care for our patients.

Best Regards,

Welcome Message

Prof. Julia Wendon

Prof. Jean-Louis Teboul

Dear Colleagues,

On behalf of the Organising Committee, we are delighted to welcome you to the **Abu Dhabi - Euro Conference**, a vibrant and welcoming meeting focusing on sepsis and the key haemodynamic, renal and respiratory challenges that shape our daily clinical practice.

The scientific programme offers a valuable opportunity to address current challenges, explore emerging evidence, discuss and debate scenarios with presenters, moderators and hence advance patient management and outcomes in the intensive care setting.

Your participation and contribution are essential to the success of this congress, and we look forward to welcoming you to this exceptional event at the Conrad Abu Dhabi Etihad Towers, set against the stunning backdrop of Abu Dhabi.

Learning Objectives

At the end of the Abu Dhabi Annual Anesthesia Congress, participants will be able to:

- Explore cutting-edge research, technologies, and innovations shaping the fields of anesthesia and critical care medicine.
- Gain practical insights into the most up-to-date, evidence-based approaches to optimize patient care and safety in anesthesia and intensive care settings.
- Recognize advanced strategies for managing complex perioperative and critical care cases, including high-risk patients and emergencies.
- Foster collaboration among anesthesiologists, intensivists, and multidisciplinary healthcare teams to improve clinical decision-making and outcomes.
- Develop Skills through Hands-On Workshops
- Identify and implement innovative approaches to enhance patient safety, reduce complications, and improve outcomes in anesthesia and intensive care settings.
- Engage in discussions on overcoming challenges in resource-limited settings, sustainability in healthcare, and emerging global health threats.
- Stay abreast of emerging trends, guidelines, and policies affecting the future of anesthesia and critical care medicine.

At the end of the EURO Intensive Care Congress, participants will be able to:

- The pathways to providing individualised care
- Management of ECMO in complex scenario
- Guidelines / definitions and practical guidance
- Resuscitation – options to achieve this
- Monitoring – what do you need
- Antimicrobials – their use and abuse
- Organ interactions

Key Features

- Evidence-based case studies
- National, Regional & International Experts
- Keynote presentations that highlight the integrated, multispecialty care
- CME Accredited sessions
- Networking opportunities
